Director Sec'y	_____

On this date, GRATHWOHL advised that he had sent a letter to the FBI HQ and Director KELLEY on 1-29-76. The letter was in response to a letter dated 1-23-76 from the Director to GRATHWOHL which stated in part, "If you desire, I would be happy to see the results of your contact with the Church committee."

GRATHWOHL read the letter which stated in more detail the results of the interview he had with Investigator MICHAEL EPSTEIN of the Select Senate Committee investigating the activities of the CIA and FBI, the salient points of which were sent to the Bureau via airtel dated 6-12-75.

It should be pointed out to the Bureau that infrequent but very favorable rapport has been maintained with GRATHWOHL. In fact, GRATHWOHL further stated that he sent a letter to CBS News deploring the television show aired on 1-26-76 entitled "Inside the FBI" since he is tired of all the castigations against the FBI by the news media.

The Bureau is also advised that GRATHWOHL has kept the San Francisco Division aware of his correspondence with the Director although he has not furnished copies of the correspondence to this division.
